

# Year 1 Science Vocabulary - Autumn 1 2022-23

## Senses

We have 5 senses which help us to understand the world around us. Hear, touch, taste, smell and sight.

## Living Things

People, animals and plants are living things.

### LIVING THINGS

people

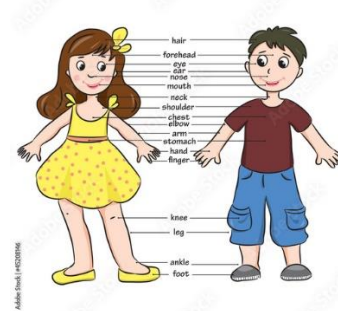

animals

plants

## Human Body

The Human Body is made up of the skeleton, organs and tissue.

## No longer living

Things that were once living but are not longer alive

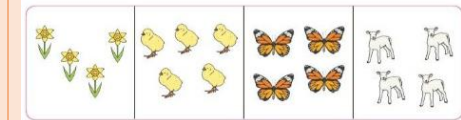

## Organs

The Human body has lots of organs which all have important jobs to do inside the body e.g. Brain, lungs and the heart.

## Groups

Finding something the same about items and putting them together to make a group. This could be by colour, size or material.

## Deciduous Tree

Deciduous trees lose their leaves in Autumn.

## Evergreen Tree

Evergreen trees keep their leaves all year round.
