

## Year A

## Homefields Primary School curriculum map for FS1 2023-2024 Throughout the year we will;

"In planning and guiding what children learn, practitioners must reflect on the different rates at which children are developing and adjust their practice appropriately" (Development Matters 2021).

We recognise that all children learn at different rates therefore we use our knowledge of the children's attainment to inform our planning. This means the planning will include various levels of challenge ranging from what a Foundation Stage 1 child would be expected to learn and beyond. We also recognise that for some children additional support will be needed to meet the expected level of a Foundation Stage 1 child.

This long term map outlines the progression of explicit teaching experiences we offer for the children.

The continuous provision provides children with opportunities to rehearse and apply their learning throughout the year.

Term and Topic Themes

Area of Learning

Autumn 1

New Beginnings (Feelings)

Autumn 2

Stick Man

The Gingerbread Man

Spring 1

Dora the Explorer

Spring 2

People who help

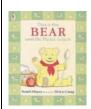

Summer 2

Growing and Jack and the beanstalk

Summer 1

Teddy bear's Picnic

Communication and Language	Listening, Attention & Understanding	Children will be learning to sit quietly during whole class discussion times. They will be learning to listen and respond to their: name, sounds, stories, songs and as well as during conversation. They will be able to ask simple questions (who, what, where?) and begin to answer why and how questions. Children will develop their skill to recall stories, understand and follow instructions and understand humour. We will also work with the children to help them become more expressive so that they can share their ideas, understanding and experiences. They will also develop their ability to ask questions, explain								
	Speaking		e a wide and varied vo	•	ii aiso develop tileli ai	onity to ask questions	s, explain			
Physical development	Gross Motor  Children will develop their gross motor skills through outdoor play; running, climbing, balancing, crawling etc The develop their ability to move safely too, developing core muscle strength, stability, coordination and balance. The involve negotiating obstacles, using wheeled toys and climbing equipment.									
o.		Climbing the frame and descending the pole safely.	Riding wheeled vehicles safely and with control.	Ball skills – throwing, catching and kicking.	Balancing – on one foot, on different parts of our bodies and on equipment.	Moving in different ways – crawling through tunnels, rolling in different ways and jumping.	Yoga – bending and stretching and holding a pose.			
VIIIIe Aleds	Fine Motor	Children will be developing fine motor skills such as pencil grip, scissor control, using cutlery, manipulating small objects (eg. threading, jigsaws) developing hand strength using malleable materials and when using writing tools. The children will have continuous access to daily fine motor activities and they will also take part in dough disco, ribbon writing and finger exercise songs.								
	Health and Self-Care RSE	and drinking approp The children will als	priately as well as put	ting on and taking off I why hygiene is impo	elf-care skills. This incl their own coats and s ortant, to appreciate a	hoes.				
Personal, Social and Emotional development	Managing self	We will be helping the children to become more confident, to express themselves, to explore the different resources and to interact with others. We will also help the children to share, take turns and play cooperatively. Children will be encouraged to be resilient and to develop a "can do" attitude to help them on their learning journey. As the children progress through the year, adults will set 'star jobs' to encourage children to become more responsible for their own learning. Furthermore, we encourage this responsibility and resilience in their personal hygiene and self-care skills.								
	Self- Regulation	We will introduce the develop strategies to	We will introduce the "Golden Rules" to the children and set high expectations of behaviour. We will help the children develop strategies to develop their feelings and behaviours and how to handle their emotions. Children will take part in regular mindfulness activities within the setting.							
	Building relationships	We will support the children to recognis	children to make frie	ends, think about wha ngs and interests. We	t a good friend is and e encourage children t		•			

		PSHE Themes	New Beginnings	Families and Relationships	Safety in the environment	Citizenship (Respecting others and our environment)	Growing (What can you do now that you couldn't when you were younger?)	Transitions (new classes)	
		RSE	To learn that we are part of the nursery group. To learn the names of our friends and the golden rules of the nursery.	To learn what is, and how to be, a good friend. To learn that families can be different and that families love and care for each other.  (Stickman topic)		Know that animals (including humans) grow and have babies. (Spring lifecycle topics)		Understand that they have changed since starting nursery and can say some of the things they can do now that they couldn't do before.	
		Drug		Recognise hazards	Medicine safety	Who to go to for	Dangers of	Choices – peer	
		education		and danger		help	touching litter	pressure	
Specific Areas	Literacy	Comprehension and Word Reading  Writing	fiction) during of The children will develop a love of We will begin to structured. We We will encourate children to learn opportunities for	Children will be listening to a range of stories during story time and will also look at a range of texts (fiction and non-fiction) during our topics. Story times are planned to ensure the children are introduced to the skills of comprehension. The children will have access to a book corner in the nursery and visits to the school library to encourage them to develop a love of books and reading! We will work with the children to help them recognise print in the environment. We will begin to retell stories through role play and small world play and begin to think about how stories are structured. We will take part in Phase 1 Letters and Sounds, embedding the early phonic learning skills in all children. We will encourage the children to explore different ways of mark making using a variety of resources. We will help the children to learn and develop their pencil control and gain confidence in mark making. We shall also provide opportunities for mark making with a purpose, to write their name, to form letters, numbers, shapes and other pictures. Children will be encouraged to use their writing skills in their play.					
			Give meaning to marks they mak as they paint an draw. Name writing – focus on a lette at a time.	Man taste test – d write a word to describe the taste	Dora the Explorer  – create a passport and write in name, age and where we live.	People who help us - Label pictures of emergency vehicles.	Jack and the Beanstalk- Write a shopping list of what we will need to buy from the garden centre.	Teddy Bear's Picnic - Write invites to the picnic	

Mathematics	Number and number patterns	Children will be developing their number understanding and skills in a variety of ways, both through discrete teaching and practical activities. We will enjoy number songs and stories and provide opportunities in their play. The continuous provision allows for children to explore number and create and solve their own mathematical problems.								
		Rote counting	Touch counting	Number recognition	Link numerals and amounts	1 more and 1 less	Simple addition with objects			
	Shape, Space and Measure	water tray, constru	ıction area) This wil	cal activities involving a I help them to develor arisons between differ	the language and ι					
		2D shapes – shape hunt – what shapes can you find in Nursery?	Prepositions – where is the Gingerbread Man?	Repeating Patterns  – can you create a repeating pattern with the farm animals?	3D shapes – what shapes can we use to create models of emergency vehicles?	Compare size – which beanstalk is the tallest/shortest? Which watering can is the heaviest/lightest?	Sequence events – describe the sequence of making the jam sandwich using words such as first and then.			
Understandin the World	an understanding t thinking about peo festivals and how t	Children will be; Talking about themselves, their families and their interests. Sharing thoughts and experiences about families and developing an understanding that families can have similarities and differences. Sharing knowledge about different people in the community and thinking about people who help us. Talking about those that are important to them and why. Learning and sharing experiences of different festivals and how they are celebrated.								
	Past and Present	Special people – drawing pictures of our family	Stickman topic - Our family Tree	Dora the Explorer topic- Talk about where we live and where our family members live.			What can I do now that I couldn't when I started Nursery?			
	People and Communities and Cultures	Harvest Festival  Bonfire night	Diwali Christmas	Dora the Explorer topic - Know that there are different countries in the world. Talk about where we have been on holiday.  Chinese New Year Mother's Day	People who help us – learn about the occupations of people in our community Easter		Father's Day Transition – our school community.			

	The Natural World	using their senses, cycles of plants and	Il be provided with lots of opportunities to; learn and recognise signs of the changing seasons, explore es, notice changes in the weather and their local environment. They will learn about the growth and life and mini-beasts and also learn about habitats. They will think about their local environment and observe and signs on the road safety walk. They will learn about different animals and think about their differences.						
		Discover and explore the Nursery environment.	What would happen to the Gingerbread if he gets wet? Save Stickman from the ice!	Bare foot walk Feel those textures on your toes!	Shadow play – create your own emergency vehicle shadow puppets.	Growing – how to grow and care for plants. Looking after the Nursery garden. The lifecycle of a bean.	Respect and care for the natural environment – what do we need to do on our picnic? Taking litter home, don't pick the flowers.		
	Technology	Children will explor		al toys, torches, and re	emote control vehic	les. They will have th	e opportunity to		
Expressive Art and Design  Materials  We will help the children to explore a range of different materials and encourage and colour. We will teach children how to use different craft materials, tools are models. We will also develop children's understanding of colour and learn how effects. The children will have continuous access to a making area with a wide in practice and hone their creative skills.						d techniques to creat it can be mixed to cre	e pictures and eate different		
		Draw or paint a self portrait  Colour mixing	Learn how to roll paper to create a tube to create a Stickman model  Create pictures inspired by the sounds and sights of fireworks	Learn how to fold paper to create a fan  Create dot paintings inspired by Aboriginal art	Join different materials to create model emergency vehicles	Collage with beans and seeds and explore the textures of them	Create salt dough models of teddy bears		
Artists and genres that we will be inspired by this year.			Pointalism	Syed Haider Raza.		Andrew Goldsworthy			

Expressive Art and Design	Being Imaginative and Expressive	We will help children to develop their ability to explore different ways of expression through singing, dancing and imaginative play. We will also provide open end resources so that the children have the opportunity to use and develop their imagination. The children will have constant access to a role pay area which will be changed regularly to reflect children's interests and topics. We will have lots of fun exploring musical instruments and learning how to change their sound.					
	Role play areas	Home corner	Stickman's house Santa's workshop	Travel agents Aeroplane	Police station Hospital	Garden centre	Teddy Bear's picnic School dinner hall
