Getting School Ready

- ▶ You may think that this is all about name writing and being able to count to 10.
- ▶ Whilst these things are helpful, being school ready is so much more than ticking off a list of academic milestones...

Communication and Language

- ▶ Communication and language are an essential part of everyday life

How do we support the development of language?

- ▶ Prioritising time to talk - modelling eye contacts, paying full attention to what our children are telling us and putting our phones down.
- ▶ Singing along with songs and nursery rhymes
- ▶ Reading and sharing books together - a child who is exposed to a picture book each day is exposed to 1.4 million extra words by the age of 5.

Emotional Regulation...

- ▶ Emotional regulation is a child's ability to manage their emotions in response to everyday experiences.
- ▶ Helps with settling into school, handling frustration, following rules, and making friends.

Ways to support your child:

- ▶ Model calm behaviour – Children learn from your reactions.
 - ▶ Name feelings – “You’re feeling really disappointed that playtime is over.”
 - ▶ Validate emotions – “It’s okay to feel sad. I’m here with you.”
 - ▶ Build frustration tolerance – Let them struggle a bit before solving the problem.
 - ▶ Practice calming tools – Deep breaths, cuddle breaks, quiet time.
- 

Resilience...

- ▶ Allow additional time for children to do things independently
- ▶ Encourage them to have a go and keep trying
- ▶ Allow them to make mistakes and learn from them
- ▶ Building frustration tolerance!

Screen Time

Recommendations from World Health Organisation (WHO):

- ▶ No screen time for children 0-2 years old
- ▶ Up to 1 hour of screen time a day for children 2-4 years old

Strategies to reduce screen time:

- ▶ using a timer to limit amount of time
 - ▶ visual timetable
 - ▶ first/ then
 - ▶ modelling good habits
 - ▶ Keeping safe online
 - ▶ Be present and engaged during your child's screen time to guide and support their experience
 - ▶ Supervise all screen time
 - ▶ Age-appropriate apps, games and programmes
 - ▶ Parental controls

Top Tips for Mums and Dads

It is natural to have mixed emotions about your child starting school. We want to make the experience a positive one for all concerned. Therefore we have provided some “top tips” to help:

- | <u>DO</u> | <u>DON'T</u> |
|---|--|
| <ul style="list-style-type: none">▶ Have a positive outlook! It is amazing how much your child picks up on your emotions.▶ Encourage them to be independent – carrying their bag and water bottle, getting dressed for school etc.▶ Be brave! Do say goodbye and reassure them that you will see them at the end of school.▶ Talk to a member of staff if you have any concerns about settling your child. | <ul style="list-style-type: none">▶ Stay too long, if your child gets upset tell them you will be back later and you hope they have a lovely time. The longer you stay, the harder it will be.▶ Worry. We will be very sensitive to the needs of your child. If they are upset when you leave, you can call the school later on to see how they are.▶ Struggle on your own. Staff will be on hand to help. |

To be returned — Friday 19th June

- ▶ Admission Forms (Reception parents) — including intimate care form, tapestry permission, dietary/medical forms — please note that if your child came to our school nursery then they will just need to edit previous admission form and make edits in a different colour, rather than completing a whole new form.
- ▶ All about me booklet
- * Breakfast/ Afterschool club registration forms to be returned to the office

PTA

- ▶ PTA offer so much support for our school!
They are looking to grow their team so
please do speak to them if you are
interested in finding out more.
